## Prairie Barn Vintage Market

presented by  
Joyful Home & Firefly Events, LLC.

---

We are so excited that you are interested in joining us as a vendor for our Prairie Barn Vintage Market!!

What a year we've all been through. I don't know about you but we are ready for a fun & safe event.

Please carefully review the entire application. It will help you better understand how the show will operate.

Your cooperation on upholding our high standards will help bring great buyers for the day. We want this to be a fun adventure for your customers and for you, the vendors, who are the backbone of our show. We have limited space and would like to be sure that each vendor is the best fit for our event.

This year's event will take place August 20th & 21st, we are returning to the Iverson Ranch. This is a private working ranch, so no power is available for vendors (sorry.) If your booth does require power, you are welcome to bring a generator, but we do ask that you let us know if you plan on bringing a generator so we can plan your space accordingly. We LOVE our Central Oregon weather, keep in mind that it is typically really warm however we can't control the weather.

Tents, sunscreen & water are highly encouraged. Vendors who do not show up may be asked to not return in future years. Each year our vendors & customer attendance has grown. Last year we had 50 vendors and at least 2,000 people through the gates! Promotion of the show remains a top priority of ours, your help is always appreciated. Please share this event with all of your customers.

Be sure to request to join our Prairie Barn Vintage Market Vendor page, we will use this page to keep vendors up to date.
